THE  
EAGLE

NORWICH HIGH SCHOOL

NORWICH, KANSAS

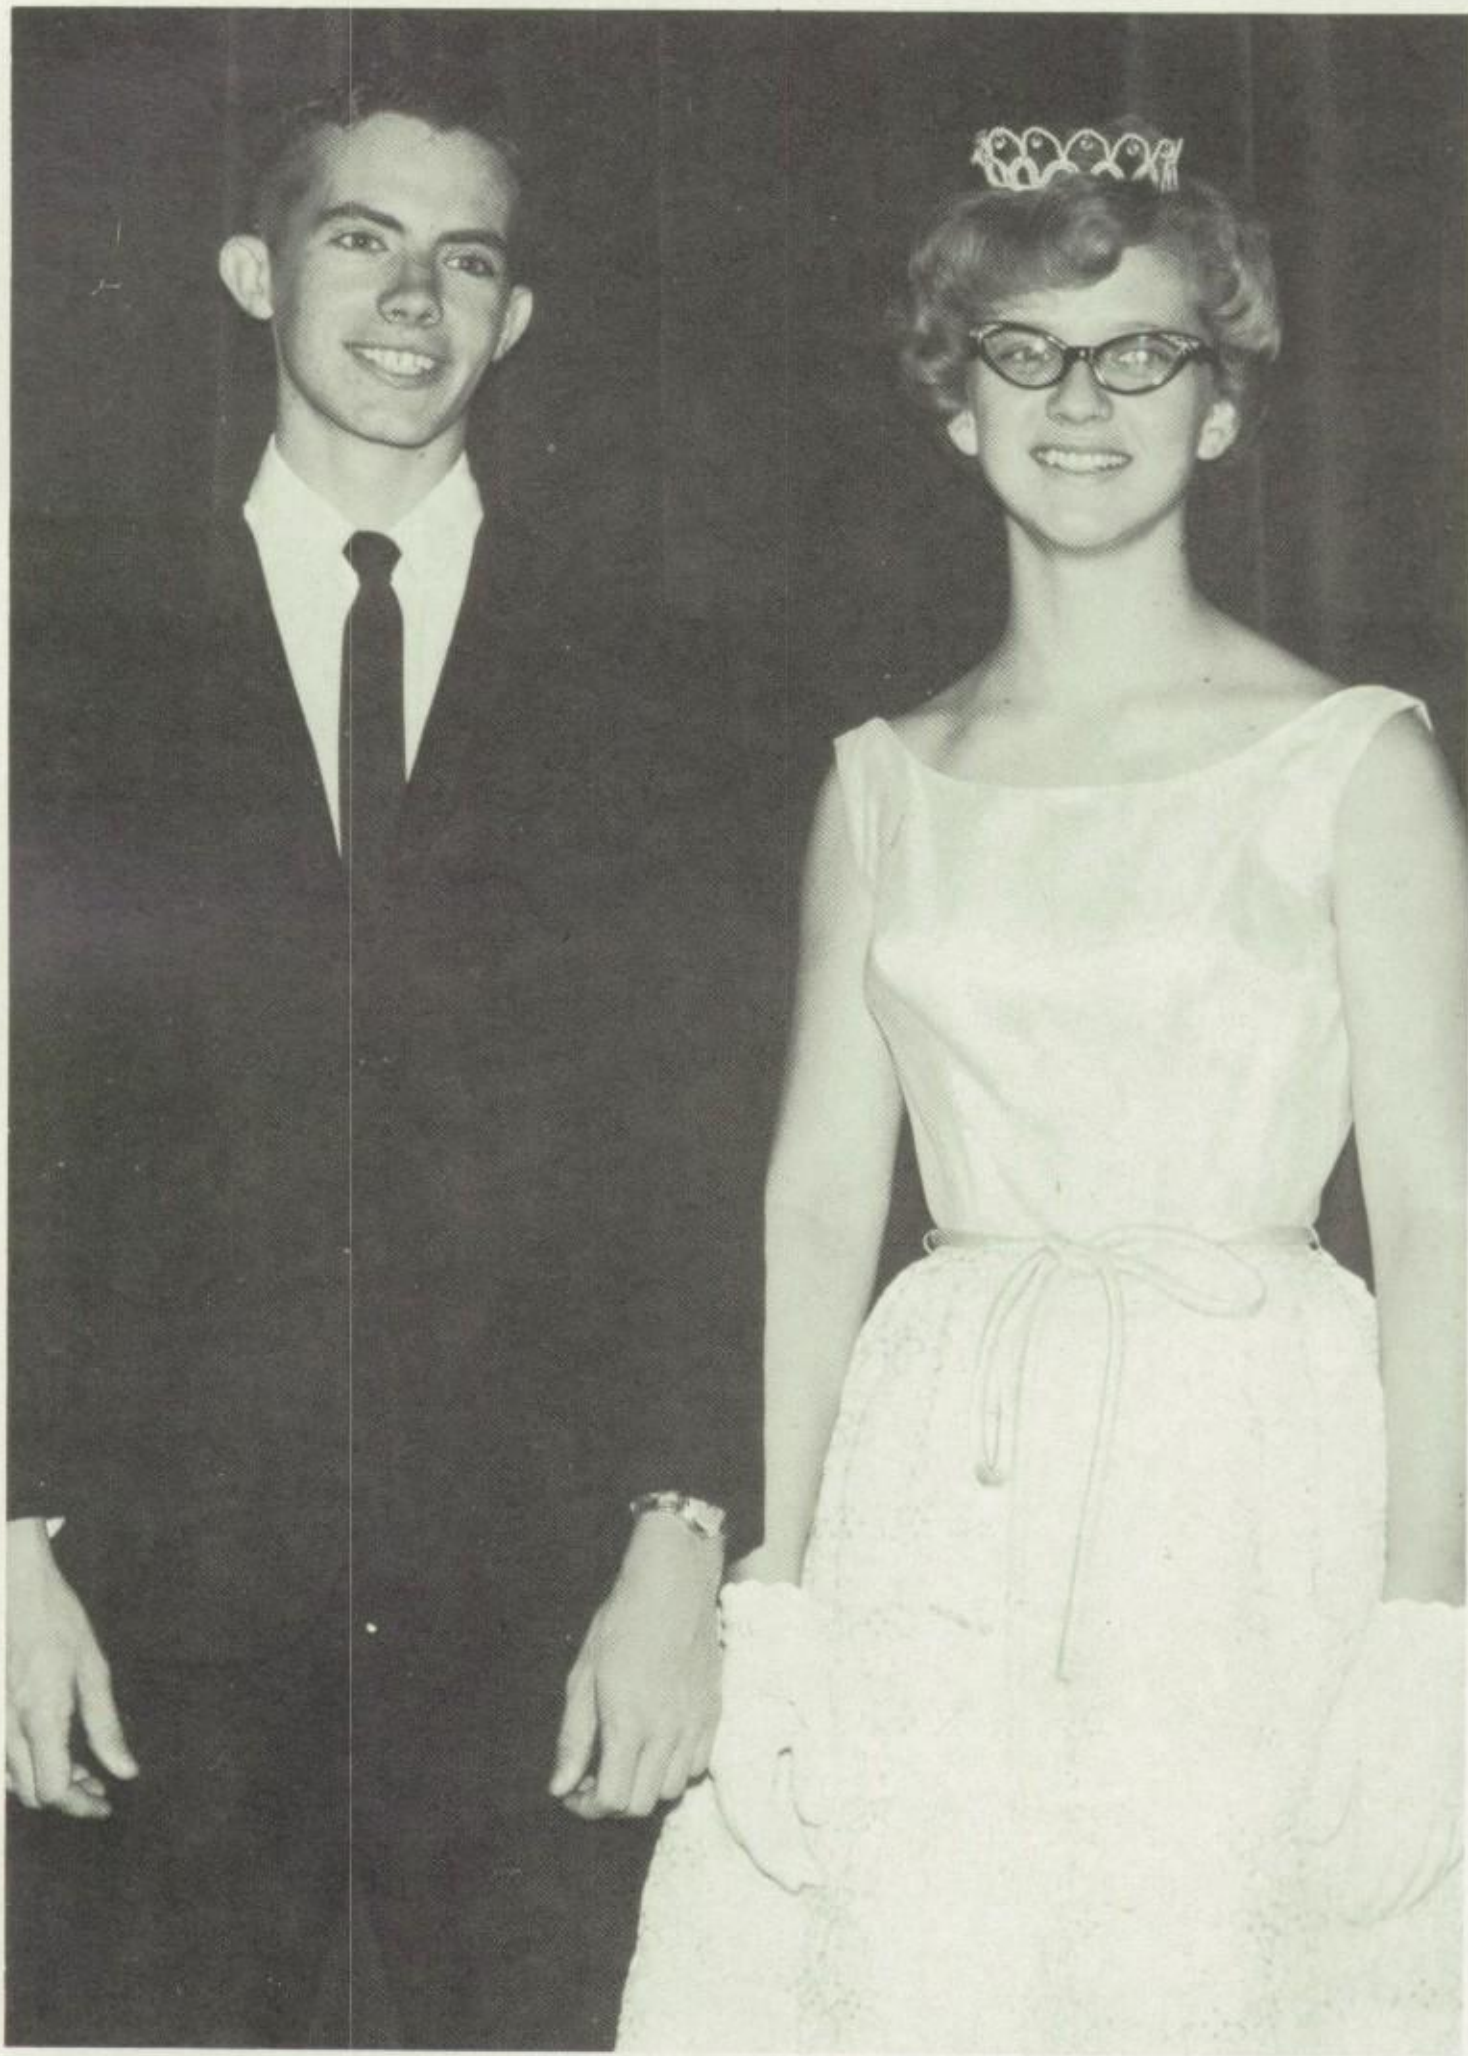

1965

The Norwich Public Schools are to be commended on the fine co-operation and support given by the patrons. By this fine help from the patrons our school will be able to survive, but without it we could not exist. The boards of education of R.H.S. #4 and C.S.D. #21 have spent a great many hours in service to the public in bringing about our good school. The success of the school does not depend on one person, but on the board of education, superintendent, teachers, custodians, cafeteria help, bus drivers, secretarial help, and anyone in anyway connected with our school such as the students and parents. I sincerely wish to thank everyone for the help I have received in developing a good school in every respect.
